YAESU will send the CashBack only when your DR-1XE meets the following conditions. Please mark the following boxes to confirm that your DR-1XE fulfills all requirements below.

- My existing DR-1XE is NOT modified, tampered, or abused and properly operates.
- The appearance of my existing DR-1XE is NOT remarkably damaged and in reasonable condition consistent with wear and tear.
- I have a carton which was originally used to pack the DR-1XE when purchasing from the dealer, and I can pack properly my DR-1XE for transportation. If not, I will carefully make sure to pack my DR-1XE so as not to be damaged during transportation.
- I have a SCU-20 cable supplied with the DR-1XE and can include it when returning the DR-1XE.

Please confirm the following items and tick all boxes if you agree with them. Please also put your signature.

I agree that I will return my existing DR-1XE in accordance with terms and conditions of the "DR-2XE Installation Support Program."

I further agree that both of Yaesu UK Ltd. and YAESU authorized distributors may decline accepting the return of my DR-1XE if it does not meet the conditions specified above.
